From: Myra Mumma, Store Manager, USFS 2009 National Reunion

Greetings from Montana and your U.S Forest Service 2009 National Reunion Store Manager. Please contact me at immuma@montana.com if you are an author, wood worker, crafter, beader, quilter and the like if you are interested in displaying and marketing items in our store.

Our reunion committee decided on a 15% commission on those items displayed.

Thanks!!
